Governor-elect Christie has announced that his administration will review all New Jersey regulations within its first 90 days to determine which can be repealed either because they are now out-dated, or because they exceed the intent of legislation when it was originally enacted. CIANJ will be reporting on the issues of greatest concern to our members. Please use the space below to identify ***specific*** regulations that impact your company, which you believe are unnecessary, and detail the impact and suggest your recommendations.

Regulation: _____

Relevant Agency/Agencies: _____

Please describe the way in which the regulation impedes your firm's ability to do business. Use extra space as needed:
